D.O.No. 16 Dated, Bangalore, 16-8-1912.

My dear Sir,

I understand that the City Municipal Council, Bangalore, has consented to grant a portion of the road for being added on to the compound of the Minto Ophthalmic Hospital. If what I hear is a fact, may I request the favor of your kindly communicating to me the sanction of Government as early as possible.

I am anxious to have the new compound wall built soon & the compound cleared of all the rubbish so that the ground may be laid out for a garden and trees planted before planting season is over. I need scarcely mention to you the advantage of planting trees in a Meteriologically favorable weather which so much helps the plants to thrive.

Yours sincerely,

Dated, Bangalore, 29th August 12.

My dear Sir,

In reference to your D.O.1710/Med.41-12-2, dated, 22nd August 1912, I have to state as under,-

2 Col. J. Smyth, M.D., I.M.S., had asked Mr. Rice, the Executive Engineer in charge of the Minto Ophthalmic Hospital, to prepare a site plan with certain alterations in the boundary of the compound wall.

3 When this plan was received from the Executive Engineer on the 23rd March 1911, the Senior Surgeon (Colonel Smyth) again altered the position of the walls. On this the Executive Engineer applied to the Municipality to enlarge the compound.

4 This question seems to have been discussed at the Municipal Council on the 5th April 1912 and their approval to enlarge the compound is published in the Mysore Gazette.
